**CHURCH GARDEN - Help yourself to any veggies that are growing in our garden behind the church!**

You care for the land and water it; you enrich it abundantly. The streams of God are filled with water to provide the people with grain, for so you have ordained it. You drench its furrows and level its ridges; you soften it with showers and bless its crops. You crown the year with your bounty, and your carts overflow with abundance. ~Psalm 65:9-11
